

Fees for 2025-2026

(as of Jan. 1 2025)

Did you know? Our tax receipts are written as ‘childcare’, allowing you to potentially claim a portion of these fees as a tax rebate. To learn more, visit <https://bit.ly/2NXshYb> , or the Canada Revenue Agency’s website.

- There is a \$150 non-refundable application fee per student at the time of registration.
- A deposit towards care is required when your child is awarded placement. This is non-refundable/non-transferrable, even if you cancel your space before your child begins.
- There is a \$200 Enrichment fee per student per learning season. This fee is non-refundable and due at the time of a placement being awarded.
- There is a \$150 change fee for parent-requested schedule changes made once your registration is submitted and placement has been offered. If the Centre initiates or offers a change in your child’s schedule, this fee does not apply.
- Our Advanced Senior Casa program is available on recommendation only.
- Extended hours programs (before / after care) are flexible drop off and pick up within the windows of time noted. Once registered, you are welcome to use the services as much or as little as you like, but rates remain per month. Drop-in space is not guaranteed.

Monthly payments are currently payable by auto-withdrawals; more information is provided after you register. Please inquire for monthly payments by post-dated cheque; a fee applies.

IMPORTANT: Affordability Grant program is subject to changes.

Aspen Hill Montessori does not control Provincial programs; Grant programs can end or change at any time. We will provide as much notice as possible to alert families of changes. *Please see our separate handout to learn more about the Provincial Affordability Grant and Childcare Subsidy.*
